Business

- Treasurer's Report: Income of \$143.50, Expenses of \$305.00, Account Balance is \$2347.08.
- Member and past secretary Kathy Pierpoline volunteered to take a brochure stand and a supply of our Glass Gathering rack cards to College of the Mainland for advertising. They are teaching glass classes there.
- Discussion of possible rescheduling of the date for August's meeting to accommodate our presenter's schedule (Angela Chandler). Joanne Crull and Barbara Buzek will follow up.

Presentation

Richard Hinson presented an introduction to the techniques of creating dalle de verre stained glass windows. Terms, techniques, and photographs of the system were discussed. The group watched videos by David Lilly that demonstrated the process. Many thanks to Richard for putting the presentation together.

Field Trip

After the presentation all attendees proceeded to Revive Methodist Church. The church graciously provided a docent and the opportunity to view their spectacular dalle de verre stained glass windows in the sanctuary of the church. A history of the creation of the windows was discussed and the group toured the facility for about an hour. Glass gathering donated a small honorarium and a fused glass cross to the church in gratitude. Many thanks to Joanne Crull and Joyce Sullivan for creating the cross.

Meeting adjourned at 11:00 am.
