2/9/19, 9:00 – 11:00 am, generously hosted by Harmony Stained Glass, Pasadena, Texas

### **General Meeting**

There were not enough officers present for a quorum. Treasurer's Report shows a balance of \$2,727.99 on 2/6. Richard Hinson has work in the MFAH Staff Exhibition, on display now through the 17th. A new member joined and also committed to doing a presentation for the group in June. The group reviewed the proposed logo.

### **Show and Tell**

Cheryl showed some of the tools she uses to create wire work. Jessica showed her work in progress of her mother's cat. Robbie talked about and showed new deep work.

### **Program**

This month's presentation was on "Selling Your Work" given by Anne Hallman-Perez of Raven Eagle Design. She talked about all aspects of selling, including going from a hobbyist to business artist, recordkeeping and where to sell.

Until next month: May all your scores break perfectly!
