

## **Glass Gathering Meeting Minutes**

01/12/19, 9:00 – 11:00 am, generously hosted by Harmony Stained Glass, Pasadena, Texas

### **Show and Tell**

A great group of Show and Tell this month demonstrating new techniques as well as projects that involved 'learning opportunities'. Here is some of the lovely art our members displayed.

### **General Meeting**

Treasurer's Report: Income of \$285 from dues, expenditures of \$0. A reminder was made to members that dues are due at the beginning of the year and that dues are \$35/individual, \$45/families.

The group looked at several ideas for the Glass Gathering logo provided by Joanne and Angie; Joanne and Angie agreed to work together on the logo.

Art Show Update - Chris reported on the Art Show. The show has been moved up to avoid conflict with Mother's Day. The format will include juried and exhibition divisions and will use the same on-line application. Categories have been update based on feedback and are now: cold glass, warm glass, hot glass, jewelry, and mixed media. A signup sheet was passed around for volunteers for the show. If you didn't get to sign up at the meeting, please go to the Glass Gathering website and sign up to volunteer to help.

The group discussed program options for the upcoming year. The group voted on 5 suggestions for field trips. There will be a meeting in April prior to the Art Show on 4/27/19. Tentative calendar for 2019 (a work in progress):
